FOOTBALL IS BACK

After a tough 2020, our club has increased in players in almost every age group and we are looking to bounce back with success on and off the field in 2021.

AT MOGGILL FOOTBALL CLUB, WE BELIEVE IN PROVIDING A POSITIVE AND FRIENDLY LEARNING ENVIRONMENT WHERE PLAYERS ARE CHALLENGED AND ARE ALLOWED TO DEVELOP TECHNICALLY, TACTICALLY, PHYSICALLY AND PSYCHOLOGICALLY.

Well after a cracking start to the season we were again disrupted by a significant rain event.

Hats off to all those junior coaches who arranged wet weather training at public parks, tennis courts, etc, just to get the kids out kicking a ball. It was certainly a challenging few weeks waiting to get back to the park and well done to those that got a little inventive around the weather.

However, with all the disruption and hopefully that weather behind us, we have had some wonderful highlights to date this season. This season, we are running with a total of 35 Junior Teams which is a combination of mini roos and junior divisional. This is certainly up on the past two seasons with perhaps the disruption of COVID now in the past and we are seeing a return to confidence in uninterrupted covid-affected seasons

It's really pleasing to see as we approach the halfway mark in the season the wonderful success our Junior Divisional teams are having with their ladder positions in the relative leagues.

Not only are the ladder positions positive but as is the style of football we are looking to play and develop with our players. This is no more evident than the example being set by the U/16s which is a hybrid team including many younger players playing up to a year in age group. Coach Lewie Bruce is leading the way with a setting positive team culture matched with training and development that these lads will benefit from as they approach senior football levels.

- U13 Girls 2 -First
- U13 Div 1-Third
- U13 Div 4-Second
- U14 Div 1-First
- U16 Div 3-Second
- U18 Div 3- Third

Special mention to Ollie Owen from our U18 Team who has already netted 15 goals for the season with two stunning hat tricks amongst that swag of goals, subsequently the U18s were promoted to a higher division a few weeks ago.

Also worth noting is that we have a few of our U18 Team closing in on 100 Games for the club (from U/12s and up) in the coming weeks, so keep an eye out for that milestone celebration!

Mini Roo Football

It's been a great start to mini roo football this season with a number of key highlights

- Fielding an all-girls U/8 Team and an U/9 Side thank you to the coaches Simon Gelling and Marty Duesling for the support in getting both these sides up and running along with all the parents. It has been part of our strategic plan at the club to increase female participation for the past three years at the club and we are excited to now have 4 all-female teams in our Juniors which for the size of our club is very impressive. It also looks like next season we could possibly raise this to 6 Teams in total.
- It has been awesome to welcome a number of new faces amongst the coaching ranks and encouraging to see a large number of coaches take up the first stage in coach education by attending the Grassroots coaching certificate in the past couple of weeks.
- Also, a number of our Senior Men's players have also taken up a coaching Role with a junior team. It's great to see the lads putting time back into the club, many of whom were juniors at the club themselves.

Certainly looking forward to our Magic Round for the 6-7s Age Group which will be released very soon. Magic Round is played on a Friday night in a round-robin style format with parents able to socialise together and have a drink on the deck or stick around and have some dinner together.

Finally, we have some exciting initiatives to be released over the coming weeks and months

- MFC Academy will return for 2022 with a slightly different format, We have begun to watch teams playing and the Academy will be invitation only. The Age Groups will be U/8-U/13. The Academy provides an opportunity to players to continue their development with structured training sessions run by C-licensed Coaches and without the disruption of COVID, we will be able to play some invitational teams.
- September School Holidays Soccer Clinic
- Currently exploring options for a dedicated Goalkeeper training clinic for those wishing to hone their GK skills. Let your coach know if you or your child are interested!

As always I'm available to assist where you may need help with your teams just reach out.

Look forward to getting around the grounds over the rest of this season!

Yours in Football,
Shane Brotherton
MFC Junior Director of Coaching (JDOC)
