During wet weather events

Grounds Officer or their delegate shall inspect the condition of the fields in advance of the deadline

Any decision to restrict use of the field shall be communicated to the Secretary

The Secretary and the Grounds Officer shall determine the preferred method of communication to assure timely processing

The Grounds Officer shall identify the extent of the closure (All fields closed, or specific fields closed)

The Grounds Officer may post closure signs at the point of entry to reinforce the closure message

The Secretary shall inform Football Queensland and/or QMF according to their respective rules

The Secretary shall arrange an update to the wet weather page on the MFC website

After wet weather events

The Grounds Officer shall determine, by inspection or otherwise, when the field closures can be reversed

The Grounds Officer shall communicate the descision to the Secretary

The Secretary shall arrange an update to the MFC website

Delegated Grounds Officer

Inspections may be conducted by delegated officers appointed by the Grounds Officer or the Committee

It is recommended to establish a cohort of delegates to ensure availability at short notice (for rapid onset weather events)

Delegated officers shall be appointed following approval by the Committee.

Responsibilities

Secretary	Communicate with Grounds Officer approaching (and following) any wet weather events that may impact training and/or fixtures. Inform FQ/QMF on field closures or Referee postponements according to their respective rules Arrange an update to the MFC weather page following any change, including once the fields can be open for use Review FQ wet weather pages and inform any travelling Moggill teams		
	Inspect the fields following onset (and conclusion) of any wet weather events.		
Grounds Officer	Decide on whether to close (and onen) fields based on maintaining turf quality for the whole of the season		
Managers & Coaches	For Home games and training, refer to wet weather page of MFC website - Communicate any fixture abandonments or postponements by the Referee to the MFC Secretary For Away games, refer to FQ's pages (see https://www.fqmetro.com.au/wet-weather/junior-weather-updates/ and https://www.fqmetro.com.au/wet-weather/senior-weather-updates/) - Inform team following any closures During training, use discretion when using saturated turf. Avoid repetetive drills. Avoid using high wear areas (eg: goal mouths)
